# The Hullbridge U3A Singing for Fun Group

Monthly Report by Roy Simmons

Singing for Fun

Come and join in

On the 24th September we held our fourth Meeting of our re-formed Singing for Fun Group, in the Family Room, at the Hullbridge Community Centre. 16 members attended.

The meeting started with a brief chat about “Breathing” followed by breathing exercises and a few scales. We then distributed the “Song Books”, and we started singing. Each member in turn selected a song. We sang 9 songs and then had a break with refreshments and a chat.

During the chat the members were advised that the December meeting would fall on Christmas Eve, as a consequence there will be no meeting in December. After a discussion it was agreed that the second half of the November meeting will be “Christmas Songs and Carols”. As the October meeting is part of the new subs period and that there will not be a meeting in December, then the New Period of subs will be for meetings in; October, November, and January.

After the break we sang another 9 songs.

All who attended had a great time.

The Next meeting will be on 22nd October in the “Family Room” at the Hullbridge Community Centre, Pooles Lane, Hullbridge, commencing at 14:00 Hrs. Please have with you £6 to pay the subs for three months (October, November, and January) to ensure that there is enough cash available to cover expenses. Please remember that the room has to be paid for whether you do or do-not attend. Also the hire of the Song Sheets is an extra £1 per meeting.

There are still places available if anyone else wishes to join us, but please contact me or Groups’ Co-ordinator, Pat Orme, beforehand so I can be prepared.
