

The Hullbridge U3A Bird Watching Group Monthly Report by Roy Simmons

The November meeting was to have been on the 27th November in the Gunners Park Car Park, meeting in the car park and moving off at 10:00 Hrs. But unfortunately due to a major storm the meeting was cancelled.

The photographs are of our visit to Gunners Park in October 2023, and were taken by Pam Simmons.

There **will not** be a meeting in December due to the Christmas activities. So thank you for your participation during 2024, and we are looking forward to our visits in the new year.

Please note that Phil Perry has created a new "U3A Hullbridge" Web Site. This Web Site can be reached using this link:- <https://hullbridge.u3asite.uk/>

In future you will find this monthly report in the Groups Section under "Bird Watching Group" and then the "Month you require". Phil has spent many hours, and a lot of trouble creating this Web Site for you, so please use it.

Our next meeting will be on the 22nd January 2025, meeting in the Visitor's Centre at the Hanningfield EWT Reserve and moving off at 10:00 hrs. We have been to this site several times before, and the paths are good, there are four Hides, and there are all the necessary facilities. Please dress appropriate for the conditions on the day. Location:- Hanningfield Reservoir Nature Discovery Centre, Hawkswood Road, Downham, Billericay CM11 1WT
